

Instructions for Historical Record Search

- Select the Index Type
- Enter the Index Volume (Click here to find the Index Volume)
- Enter the first letter of the Last Name
- Enter the first letter of the First Name
- Press Enter

The index page will display. After you find your document, enter the Book and Page reference at the bottom of the page and click View.

After your image has loaded, you can use the forward and back arrows to scroll through the book. Keep in mind that sometimes you may have to scroll to find the first page of your document. Some of these older books contained A, B, C pages and some blank pages have been removed.
